

# BELMONT ACADEMY | LEARNING, TEACHING, ASSESSMENT – 22/23

OCTOBER | 2022

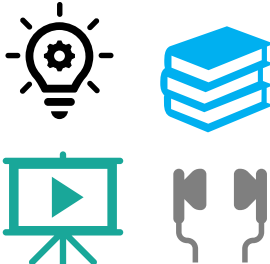

## Changes to the Newsletter

The format of the LTA newsletter is changing! This year, we will have a monthly newsletter rather than a termly one. This will be a single-page format and will be used to spotlight work going on in subject areas across the school. The newsletter will be shared amongst staff and will be also available to access on the school website.
